

NASSEA School Partnership

NASSEA School Partnership gives your school the opportunity to join a well-established regional network focusing on Ethnic Minority Achievement, including Equalities, English as an additional language, Community Cohesion, School Linking and community language development.

NASSEA is a not-for-profit professional organisation. It promotes equality in education through teaching and learning which is effective and engaging for children and young people from all ethnic, cultural and linguistic backgrounds.

What the NASSEA School Partnership gives your school:

- * 1 free place at a NASSEA network meeting
- * 1 NASSEA conference voucher
- * 1 free resource pack
- * A termly newsletter and email updates keeping you informed of national, regional and local developments in Ethnic Minority Achievement as well as events, professional development conferences and special offers.
